MY GOLD MINE TOUR

Social Script | Central Deborah Gold Mine

I am going underground at a Gold Mine.

I will be greeted by a staff member.

**There are no toilets underground.
If I need to go to the toilet, there are toilets in the gift shop.**

**I will watch a short safety video.
A Tour Guide will be with me the whole time.**

I will walk down a tunnel. There might be other people on my tour.

**I will be given a helmet and shown how to put it on.
I need to keep the helmet on my head.**

I will go underground in a lift.

There is a small jolt when the lift starts and stops.

The lift makes a lot of noise. I can cover my ears if I don't like the noise.

When we are underground, it will be dark and wet.

**My Tour Guide will show us a drill. The drill will be loud.
I can cover my ears or ask for ear protection.**

**My Tour Guide will show us a pretend explosion.
There will be flashing lights and noises.**

I hope I have fun at Central Deborah Gold Mine!
