

EXCURSION PROGRAM OVERVIEW

Celebrate World Environment Day with a wild educational excursion like no other at Taronga Zoo Sydney on either 4 or 5 June 2026.

This wild educational excursion will intertwine the chance to come face to face with animals and their environments, and to explore climate solutions using interactive digital floor games and recycled materials.

STAGE 2 AND 3 STUDENTS WILL EXPERIENCE THREE ROTATIONS THROUGHOUT THE DAY

LIFE CYCLES WORKSHOP (STAGE 2) OR ADAPTIONS IN A CHANGING WORLD WORKSHOP (STAGE 3)

📍 TARONGA INSTITUTE FOR SCIENCE & LEARNING (MAP REF L9)

Join a Taronga Educator led lesson on either:

Stage 2: Lifecycles

- Learning how the features and needs of animals change and develop - and how they can help overcome the challenges these species face, including designing animal habitats

Stage 3: Adaptions in a Changing World

- Observing how animals' adaptations are impacted by today's changing environments, both natural and human-induced

CLIMATE SOLUTIONS WORKSHOP

📍 TARONGA CENTENARY THEATRE (MAP REF J12)

Join a Be The Future led interactive experience:

Stage 2 & 3: Nature-Based Solutions

- Exploring global initiatives using interactive digital floor games and designing a wildlife corridor using recycled materials and STEM tools

SELF-GUIDED VISIT (INCL LUNCH)

📍 TARONGA ZOO SYDNEY

Suggested trail linked to the two workshops:

- Nura Diya Australia (Map ref J5)
- Amphibian & Reptile Conservation Centre (ARC) (Map ref H7)
- Tiger Trek (Map ref H14)
